| Agenda Item                        | Discussion  | Action                      |
|------------------------------------|---|-----------------------------|
| Welcome                            | 😊   |                             |
| Approval of Last Meeting's Minutes | Yes   |                             |
| Graduation                         | Grad Photo discussion – Harvey Studios is providing the option for us to have Grad Photos done at the school. Is this something we want to explore and include as part of the Grad Fee? PSSC agrees that this would be beneficial for families.                     |                             |
| Awards Banquet                     | No discussion. We are looking forward to celebrating.   |                             |
| Demonstration of Learning Week     | Questions about schedule: Students report to assessments in the morning. They can sign out for the afternoon if they are not required to be in recovery. Recovery will be organized by teachers and parents will be contacted if students are required to be there. |                             |
| School Plan Update                 | Update distributed. Will be emailed in weekly update and placed on website.   | Email and Place on Website. |
