

PSSC Meeting

May 27, 2026

Members Present:

Agenda Item	Discussion	Action
Community Use – Reciprocal Agreement	Reviewed protocol. Updated Reciprocal Agreement will be signed before end of school-year. Summer use will need to go through Village.	
Breakfast Room and Lunch Program	Reviewed results of student survey. Breakfast room will likely be moved back upstairs for next year.	
SIP Update	Working through data. Have seen some improvement with the amount of students who say it's hard to pay attention because of students interrupting (47%-42.9%). PBIS Cohort 5 – begins next school year.	
Staggered Entry	Student services team exploring staggered entry for Grade 6. Parents were not in support of this idea.	
Fundraising	Member expressed the need for a Home & School. We will be adding this for next year. Questions about fundraising done for v-ball nets in past.	Amy to look into. Students were given \$500 as kickback for serving at a function – March 23, 2023. Monies were for “volleyball” (not stands, specifically) and were spent on tournament registration and transportation.
